NT-201- 2 ounces, deep blue, imperforate, ungummed, stamped **CANCELLED** in 7 mm. rose-violet Gothic

The shipping dates on the used copies run from 1939 to 1945. It seems that the final ungummed strips stamped **CANCELLED** were remainders at the time of Confederation with Canada in March 1949. To my mind, these are remnants, not *trial-proofs* (or **CP** copies in the usual sense) and I have dropped the Brandom **CP** designation.
